

ROUND BOLLARDS

SAFE. STRONG. PROVEN.

Cubic Designs Round Bollards guard valuable plant equipment, loading dock areas, parking areas, building passageways, water mains and more.

Cubic Designs Round Safety Bollards are in stock and ready to ship within 48 hours of an order.

- Available in 48" height. Custom heights available upon request.
- Round Bollards come in 4" or 6" diameter steel.
- 4" Bollards are constructed of 1/4" steel pipe, while 6" bollards utilize 3/16" steel pipe. Bollards are shop-welded to 10"x10"x1/2" steel baseplates for a one-piece design.
- Extremely durable, heavy-duty design with easy bolt to floor installation. Concrete anchors are included.
- Custom embedded design is also available upon request.
- Safety Bollards also available in a square design.
- Safety Bollards come standard with yellow, durable powder coat finish.
- Custom colors, designs, heights and finishes available upon request. Please note: May affect price and lead time.
- Check out more info on Round Bollards and other safety products at: www.cubicdesigns.com/spg.
