

TRACK GUARD

SAFE. STRONG. PROVEN.

Heavy-duty Cubic Designs steel Track Guards protect overhead door tracks and are designed to absorb the impact of a forklift or other in-plant vehicle. Prevent damage to door tracks and door operation problems and save overhead door repair costs. Cubic Designs Track Guards are in stock and ready to ship within 48 hours of an order, so it's the ideal solution when time and money are important.

- Standard 36" and 48" Track Guard height provides front and side protection without interfering with normal door operation. Custom Track Guard heights available upon request.
- Wrap-around design quickly bolts to building floor for easy installation.
- Easy to replace if damaged by a forklift.
- Cubic Designs Track Guards come standard with yellow, durable powder coat finish. Custom colors and paint finishes available upon request. Please note: Custom colors and finishes may affect price and lead time.
